Dear Sirs:

As Executive Director of the US Army Test, Measurement, and Diagnostic Equipment Activity (USATA), I exercise express authority and responsibility to request funds from the Department of the Army for decommissioning activities associated with operations authorized by US Nuclear Regulatory Commission Material License Number 01-00126-16, Docket Number 030-12630. This authority is established by DOD FMR 7000.14-R and AMCOMR 1-37. Within this authority, I intend to request funds from the Department of the Army when necessary in an amount up to \$1,125,000 to decommission facilities associated with this license. I intend to request these funds sufficiently in advance of decommissioning to prevent delay of required activities.

A copy of my delegation authority, 29 November 2006, is enclosed as evidence that I am authorized to represent the USATA in this transaction.

Sincerely,

Richard E. Turner
