Dear Sir or Madam:

03035341

I am currently the Radiation Safety Officer (RSO) for our NRC Materials License (License Number 01-25511-01). I have recently accepted another position and will be leaving the company. Charles Jones has been assigned to assume my duties as RSO. I have attached a copy of his training certificate indicating manufactures training on our Ohmart gauges/radiation safety. I am requesting that a license amendment be issued changing the designated RSO to Mr. Jones. David McLaughlin will remain the alternate.

If there is anything else I need to do to update this information please contact me at (256) 240-2386 x2913. I will be available at this number until January 3, 2007.

Sincerely,

John A. Patrick, CSP
Westinghouse Anniston Radiation Safety Officer
