I do not understand why you no longer have armed guards at the entrance to TMI. If this is to cut costs perhaps you should think of the cost if someone manages to get in. Yes I understand you have cameras and concrete. This would only slow down anyone who is determined to get in. You need to be on guard at all times. To let down your guard is nothing less then stupid. The groups that hate us are just waiting for the Americans to become lax. Can we really afford to be so arrigant. PLEASE reconsider your very foolish descision. Thank you Mary Ann DeLong
