Re: Amendment Request for Radioactive Materials License #29-28361-01

To Whom It May Concern,

I am writing this letter to authorize our physicist, Kevin F. Smith, Senior Specialist of the ALARA Group, to prepare a request to amend our radioactive materials license as follows:

Please add Ravindra I. Patel, MD, as an authorized user for the uses described below.

Also, the practice listed as 453 Amboy Avenue, Woodbridge, New Jersey, is actually 530 Green Street, Iselin, NJ, 08830-2638. This was a change in address made by the State of New Jersey.

If you need any additional information, please do not hesitate to call me at (732) 607-1111. Thank you for your attention to this matter.

Cordially,

Laximipathi Garipathi, M.D.  
Director
