Mark,

An extension to January 10 is acceptable. Amending the license to give you a bit more time beyond year's end sounds reasonable. Give me a call so we can discuss further.

Hi Paul, this email is a followup to the voicemail I just left for you. Because of the logistical difficulty in finalizing and delivering the Church Rock site annual report by December 31, I am requesting that NRC grant UNC an extension for this submittal until January 10, 2007. I am the primary author and producer of the annual reports on behalf of UNC.

We want to deliver a high quality report, and an extension will help a lot -- however, I will meet the December 31 date if necessary. If NRC will grant an extension, notification by email to both me and Roy will be sufficient. Please give me a call if you want to discuss (I am working tomorrow, Friday Dec 22 and Tuesday through Friday, Dec 26 through 29, next week).
