Dear Sir or Madam:

By Reference 1, the Nuclear Regulatory Commission (NRC) staff approved the request of Reference 2 to issue an order amending the licenses of subject reactors affecting the ownership interest of the City of Anaheim, California. Part III of the order directs Southern California Edison (SCE) to inform the Director, Office of Nuclear Reactor Regulation, in writing, of the date of the closing of the transfer of ownership no later than 7 business days before the date of closing.

SCE has just been notified to anticipate final closing on December 29, 2006.

Sincerely,

A handwritten signature in black ink, appearing to read "A. S. Mallett". The signature is fluid and cursive, with the first name being the most prominent.
