The Honorable Ben Cardin  
United States Senator  
Tower I, Suite 1710  
100 S. Charles Street  
Baltimore, MD 21201

Dear Senator Cardin:

I am responding to Senator Paul Sarbane's November 20, 2006, letter to the Director, Office of Congressional Affairs, U.S. Nuclear Regulatory Commission (NRC), in which he requested information on behalf of a constituent, Mr. Martin Negrin.

Mr. Negrin submitted a request for an Information Technology (IT) Level I contractor access authorization as part of his application package to work for NRC as a contractor. The NRC reviewed information provided by Mr. Negrin and his criminal and financial history reports as required by applicable security procedures. Based on our review of this information, Mr. Negrin was denied an IT Level I access authorization. Our security staff verbally advised Mr. Negrin of the basis for NRC's denial of his request on June 19, 2006.

Mr. Negrin's request for a written explanation of the denial of his IT Level I access authorization involves privacy information and therefore, can only be provided to Mr. Negrin. We have confirmed the request with him and will provide him the requested information, as appropriate, no later than January 31, 2007.

I trust this is responsive to the inquiry.

Sincerely,
