Re: Request for Possession Limit increase of I-131

Dear Pamela –

03034289

I would request an increase of my I-131 possession limit from 900mCi to 1500mCi. The License number in question is 47-25375-01MD. Currently having our limit at 900mCi is making it difficult to keep an ample supply of I-131 on hand. Our demand seems to have picked up as of late and increasing our possession limit would make things a little easier to organize. Thank you in advance for your attention to this, if you have any questions regarding this request please do not hesitate to contact me.

Sincerely,

Glen Palmer BCNP RPh
