SUBJECT: ALBEMARLE CARDIOLOGY, PLC, VOIDANCE OF APPLICATION FOR
LICENSE AMENDMENT, CONTROL NO. 139615

Dear Dr. Fischer:

This concerns the subject application for an Amendment to your material license. As discussed with you in a telephone conversation on January 5, 2007 termination of your license at this point would prevent you from operating at the current location. Because you plan to move to the 650 Peter Jefferson location in February you should request termination when you have removed all byproduct materials and completed a survey. We have, therefore, voided your application. This action is taken without prejudice to the resubmission of your request.

Sincerely,

Original signed by Thomas K. Thompson
