Re: Change of Radiation Safety Officer

To Whom It May Concern:

I am the current RSO for Valley Quarries, Inc. and will be changing employment as of January 12, 2007. Effect on that date John C. Englerth will be filling the position. John is currently our Health and Safety Coordinator. John's phone numbers are, 717-267-2244 ext.6276 (office) and [REDACTED] (cell). His e-mail address is jenglerth@valleyquarries.com.

Enclosed is a copy of John's Portable Gauge Safety and Hazmat Training certificate. John is also enrolled to take a Radiation Safety Officer's course at North East Technical Services, Inc. on Thursday January 11, 2007. I have asked him to send to you a copy of his RSO certification upon his successful completion of the course.

Should you have any questions feel free to contact John or me by telephone at (717) 267-2244 or fax at (717) 263-7877.

Thank you for your cooperation.

Sincerely,

Jeffrey B. Geesaman
Superintendent
Valley Quarries, Inc.

NUCLEAR GAUGE TRAINING ONLINE

January 5, 2007

NuclearGaugeTraining.com ☒ 866-868-2382

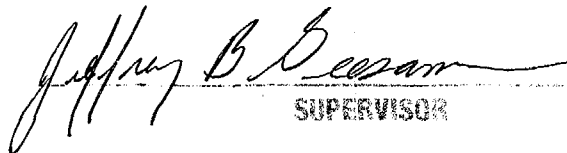

Portable Gauge Safety Training

John Englerth

Has successfully completed training in accordance with policies set forth by the following rules and regulations governing portable nuclear moisture/density gauges and transportation requirements: NUREG 1556 and 49CFR subpart H and IATA 1.5.2.

A closed book examination was administered and a passing score was achieved. The person listed above has demonstrated a thorough understanding of all aspects needed for transportation, with specific emphasis placed on portable nuclear density gauges.

Subjects included in this course were: Radiological safety/principles, practices of radiation protection, leak-testing procedures, measurement of radioactivity, biological effect of radiation, incident, storage, ALARA, emergency procedures and security awareness.

SUPERVISOR

This is to acknowledge the receipt of your letter/application dated
