To Whom It May Concern:

We would like to amend our license as follows...

- Add the following individual(s) to our license

	Individual	Previous experience, license number, etc.	Requested Uses
Authorized User	Dennis Burton, M.D.	NRC#: 47-16259-01	35.100, 35.200

Dr. Burton was previously an authorized user at the Monongalia General Hospital, Morgantown, West Virginia (NRC #: 47-16259-01). We would also request that Dr. Burton be named our Radiation Safety Officer. Dr. Burton was previously the RSO at the Monongalia General Hospital and thus has the experience to be our RSO. We have attached a Delegation of Authority statement as required.

If you have any questions with regard to our amendment, please contact our consultant physicist, Sam Payne at: (570) 477-3925 or Doug Heim at: (570) 473-1726.

Sincerely,
