Request for amendment

Dear Sir or Madam:

Please amend the above referenced license in the following sections:

Section 12.B :

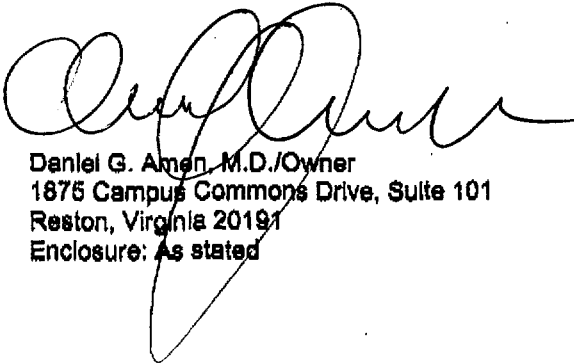

ADD: Authorized User

Authorized Use

Barton A. Branscum, M.D

35.100 & 35.200

I am enclosing documentation to show the experience and training for Dr. Branscum, M.D.
Should you have any question regarding this amendment, please contact me at 949-266-3700.
Sincerely,

Daniel G. Amen, M.D./Owner

To Whom It May Concern:

This letter is to affirm that Barton A. Branscum, M.D. received training and experience at our institution, Amen Clinics, Inc., in brain imaging and localization studies. The preceptorship began on October 2004 and continued until December 2006.

During this training program, Barton A. Branscum, M.D. received not less than 600 hours of supervised work experience and not less than 600 hours of supervised clinical experience. The experience of Barton A. Branscum, M.D. was gained under the supervision of an Authorized User.

The supervised work experience included ordering, receiving, and unpacking radioactive materials safely and performing the related radiation surveys; calibrating dose calibrators and diagnostic instruments and performing checks for proper operation of survey meters; calculating and safely preparing patient dosages; using administrative controls to prevent the misadministration of byproduct material; using procedures to contain spilled byproduct material safely and using proper decontamination procedures.

The supervised clinical experience included examining patients and reviewing their case histories to determine their suitability for radioisotope diagnosis, limitations, or contraindications; selecting the suitable radiopharmaceuticals and calculating and measuring the dosages; administering dosages to patients and using syringe radiation shields; collaborating with the Authorized User in the interpretation of radioisotope test results and patient follow-up.

Sincerely,

Daniel G. Amen
