RE: License No. 45-31205-01

In reference to the listed license, we are requesting an amendment due to a change in our organizational name. Corporate restructuring necessitates this change; consequently, the new name and address is as follows:

Old: APAC-Atlantic, Inc.
Danville Division
239 Eastwood Drive
Danville, Virginia 24540
(434) 773-2400

New: W-L Construction & Paving, Inc.
Danville Branch
239 Eastwood Drive
Danville, Virginia 24540
(434) 773-2400

The facilities, equipment, and procedures relative to the licensed program will not be changed. The gauges will continue to be stored at our Danville, Virginia facility. Records are currently stored on site and will not need to be transferred. Furthermore, Doug Dawson will retain his responsibilities as the senior management NRC correspondence representative and Brian Jones continues as license RSO representative.

I hope these changes meet with your approval. Additional information can be obtained from Doug Dawson or Brian Jones at (434) 773-2400.

Sincerely,

A handwritten signature in cursive script that reads "Doug Dawson".
