OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

Dear Nuclear Regulatory Commission:

RE: #RIN3150-AG63

I think security guards should be moved back to the main entrance near Route 441 at TMI, and I do not think it is safe with the guards to only be at their present location closer to the plant. (I think they should be at both locations actually.)

Thank you for allowing me to email my opinion to you.

If you have a mailing list to email any information now or in the future about any TMI-related matters, please add me to your list: aokamy@yahoo.com.

Thank you,

A. Keys
