Re: Amendment to USNRC License # 45-25240-01 Johnston Memorial Hospital  
To Whom It May Concern:

Johnston Memorial Hospital (JMH) wishes to amend its current USNRC materials license to reflect changes in staff.

1. Add Authorized User: We would like to **add Bernard Tisdale, MD** as an Authorized User to our materials license for uses as described in 10 CFR 35.400 manual brachytherapy procedures. Dr. Tisdale is currently listed as an Authorized User for uses as described in 10 CFR 35.400 on USNRC license #45-25582-01 Docket #030-35941 (Virginia Urology Center, Richmond, Virginia)
2. Remove Authorized User: We would like to **remove David Randolph, MD** from our radioactive materials license. Dr. Randolph is no longer practicing at Johnston Memorial Hospital

If you have any further questions regarding this amendment request or would like to discuss it further do not hesitate to contact me.

Sincerely,

*Margaret Stroup*
