OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

Dear Sirs:

I am writing in support of the Petition to require guards at nuclear power plant entrances and encourage adoption of this rule.

Security is needed at the front gate. Strong, visible and intelligent human beings, armed with the best technology, are the first line in security.

I am grateful for Three Mile Island Alert's watch over nuclear power. The Press and Journals reporting of this opportunity to comment. I hope your responsibility to protect the health and safety of the public does not fail to see our reality and perception of secure nuclear power.

Sincerely,
Mrs. Linda Braasch
