

As described in SECY-06-0248 'Results of Staff Actions to Identify Problems in Authorizing Medical Physicists Under 10 CFR Part 35 in Response to Staff Requirements Memorandum,' a RIS was distributed to Medical Physicist professional organizations and certification boards on December 15, 2006. This ADAMS package contains documentation of the e-mail communications to AAPM, ACMP, ABR, ABMP, ASBSNM, and ASTRO requesting that members and diplomates be notified of the RIS-2006-026.
