Thank you for sending a copy of the NRC RIS related to the training and experience and grandfather provisions for authorized medical physicists. I will be reviewing it and will touch base with you should explanation or clarification be required. In consultation with Dr. Hattery, decisions will be made as to how best to communicate the relevant information to the ABR Diplomates in radiologic physics.

Best regards,

SR Thomas

Dr. Hattery and Dr. Thomas,

Attached is a RIS that was published last week on the training and experience and grandfather provisions for authorized medical physicists.

On behalf of the NRC, I respectfully request that you notify diplomates of the ABR-Radiologic Physics specialty of the availability of this RIS.

Thank you,
Cindy Flannery
