Fair Haven Beach State Park has one of the finest public lakefronts in upstate New York, with high bluffs above sandy beaches and hilly woodlands. Inland, there is Sterling Pond, surrounded by campsites and cabins, eight of the latter winterized. The park also offers three Full Service Accommodations which provide guests with a shower, refrigerator, a range, a microwave, pillows, bedding, cooking utensils, dishes and a coffee maker. The swimming and fishing are excellent. Rowboats, paddleboats and canoes are for rent and the park has a boat launch and a recreation building. The recreation building is available for rental.

The Taft and Young vacation rentals are located at Fair Haven Beach State Park. They include a refrigerator, cooking stove, wall outlets, furniture, two double beds, four twin beds, hot shower and fireplace. Outside each cottage, is a picnic table and fire ring. Bedding, pillows, dishes and cooking utensils are not provided.
