Due to the continued growth of our practice, we would like to propose the following changes to the materials license #06-23559-01.

Beginning January 1, 2007 the position of Radiation Safety Officer has changed from Dr. John E. Rogan to Dr. Joseph J. Corning. All duties associated with this position have been transferred including Medical Director for ICANL.

In addition to the above change, we would like to add two physicians to the license, Dr. Eran Shani and Dr. Mojca Lorbar. They have successfully passed the nuclear board exams and are deemed board certified in nuclear cardiology. Please see attached verifications.

Thank-you for your attention to this matter and please do not hesitate to contact me with any questions pertaining to these proposed amendments to our current license.

Sincerely;

*Joseph J. Corning*

Executive Director

Dear Dr. Shani:

We are pleased to inform you that the Board of Directors of the Certification Board of Nuclear Cardiology (CBNC) has determined that your score on the certification examination of October 2006 meets the standards the Board has established for certification in nuclear cardiology. Congratulations on your achievement!

A passing score of 126 questions correct was determined by an independent panel of peers, representing the disciplines involved in the practice of nuclear cardiology, drawn from both private practice and academia.

The number of questions you answered correctly was 133. The attached chart shows the number of correct answers you had for each of the content areas. Also enclosed is a press release which you may wish to use to announce your successful completion of the 2006 exam.

As you may recall, the application form that you completed carried the wording "List name as you wish it to appear on certificate if you successfully pass the exam." Therefore, we will honor your request. We anticipate that the certificates will be mailed by February 1, 2007.

It is important for future mailings that you keep the CBNC headquarters office informed of any address changes and so that the information in our online verification database is correct.

On behalf of the Board of Directors, I wish to thank you for your participation in the CBNC examination.

Sincerely,

Robert J. Gropler, M.D.  
President
