OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

January 13, 2007

To Whom It May Concern:

I am writing to you about radiation standards for older nuclear plants.

I hope these standards are made as stringent as possible. Radiation is dangerous to children and other living things and standards should be based upon what is best for the public's health and not the utilities' bottom lines.

6

Thank you,

Robert Handelsman
