

**DECOMMISSIONING BRANCH  
TECHNICAL ASSISTANCE REQUEST**

Date: 8/3/05		TAR Number:	
To: Jennifer Davis, Section Chief, EPAD/ERS		From: Kimberly Gruss, Section Chief, DWMEP/MDS	
Licensee Name: U.S. Army		License Number: SUB-1435	
Location: Jefferson Proving Ground, IN		Docket No.: 040-08838	
Referenced Documents: Field Sampling Plan (located in package at ML051540146) and filings by the Army and Save the Valley on proposed action. Documents will be provided by PM.		Document Date: May 25, 2005	
<p>Objective: The licensee has requested an alternate decommissioning schedule. This licensing action requires an EA. Mr Tom McLaughlin will write the document. We are requesting assistance to help review the EA prior to publication for content, technical soundness, and conformance with NEPA requirements. In addition, we are requesting that the FSP be reviewed to determine if the proper environmental data are being collected in order for EPAD to construct an EIS for the decommissioning of the site in 2010.</p>			
<p>Action Required: Review EA and filings by Save the Valley. Review FSP for data being collected.</p>
