Re: Amendment to NRC Radioactive Materials License #21-02037-03, Bell Memorial Hospital, Ishpeming, Michigan

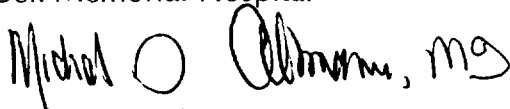

Dear Sir or Madam:

We wish to amend the above referenced radioactive materials license to reflect the following changes:

1. Please add Todd K. Bostwick, M.D. as an authorized user for the materials listed under 10 CFR 35.100 and 35.200. For Dr. Bostwick's training and experience please reference NRC Radioactive Materials License #21-05432-04.
2. Please remove Peter A. Lassing, M.D. as an authorized user from our radioactive materials license.

We hope this information is sufficient to grant our request for amendment. If you have any questions please contact Steve Hill, Nuclear Medicine Department, at (906) 486-4431.

Sincerely,  
Bell Memorial Hospital
