)

Docket No. IA-05-052

ASLBP No. 06-845-01-EA

NRC STAFF'S APPLICATION FOR THE ISSUANCE OF A SUBPOENA
TO JOHN MARTIN

INTRODUCTION

Pursuant to 10 C.F.R. § 2.702(a) of the Commission's regulations, the Staff of the Nuclear Regulatory Commission (Staff) requests that the Atomic Safety and Licensing Board (Board), designated in the above-captioned proceedings, issue a subpoena, attached hereto, requiring John Martin, to attend and give testimony at a deposition.

DISCUSSION

The Staff requests the Board to issue a subpoena for John Martin in order to ensure the Staff's ability to depose this individual on the date specified. John Martin, as an outside consultant working for FirstEnergy Nuclear Operating Company following the discovery of degradation of Davis-Besse's reactor pressure vessel head, interviewed Mr. Geisen and other Davis-Besse personnel about their activities related to NRC Bulletin 2001-01. Therefore, his testimony is relevant to the issues raised by the enforcement action.

CONCLUSION

In light of the foregoing, the Staff requests the Board to issue the attached subpoena to Mr. Martin.

Respectfully submitted,

/RA by Mary C. Baty/

Mary C. Baty
Counsel for the NRC Staff
