**Re: Inspection 03017730/2007-001; Items pertaining to license/user audit.**

- A. Dates of last three device wipe tests:
- 8/31/2006;
  - 3/25/2006;
  - 9/17/2005.
- B. All wipe testing was performed by Monitoring Services, P.O. Box 266677, Houston, TX 77202-6677, License # (Texas) – LO 4501.
- C. Device inventory (there are nine ECD, N153, devices, not seven as reported earlier – I did not count the two in active use in the equipment.)

<u>PerkinElmer Model #</u>	<u>Serial No.</u>
N6000204	382
N6000204	2353
N6000204	065
N6100133	3227
N6100133	3226
N6100133	1533
3300119	1759
3300119	2095
3300119	2656

All devices are used/stored at the AP Chemical Lab, located at 643 N. Main St., Greensburg, PA.
