Rani L. Franovich, Branch Chief  
Environmental Branch B  
Division of License Renewal  
Office of Nuclear Reactor Regulation  
United States Nuclear Regulatory Commission  
Washington, D.C. 20555-0001

Dear Branch Chief Franovich,

Thank you for soliciting Oneida input into the process of environmental review necessary to relicensing the Susquehanna Steam Electric Station in Berwick, PA (letters of Nov. 11 and 17 and copies of many similar letters to others). Lying outside Oneida aboriginal territory (attached map), the location is beyond our purview.

Sincerely,

A handwritten signature in cursive script that reads "Anthony Wonderley".
