Dear Mr. Link:

Reference: Request for Extension to Respond to the Notice of Correction – Audit # 499

We are in receipt of your letter and approve the request to extend the due date to December 15, 2006. Your willingness to work with the Air Emission staff and compliance record contributed to prompt approval of this request.

As always, please call Mr. Allan Danielson at (509) 727-0645 with further questions or requests for additional information.

Sincerely,

Earl Fordham, Eastern Washington Director  
Office of Radiation Protection
