RE: Certificate of Compliance, USA\9148\B(U)

Dear Ms. Barto:

After review of our letter to your office on 7 Nov 02 it was noticed that the drawings included did include the changes noted in our letter, however, the Revision referenced on the drawing should have been listed as Revision D instead of Revision C (Revision C was issued in July 02). Enclosed is a corrected copy of the descriptive drawings for the 770 issued to the correct Revision level of D. All statements in our 7 Nov 02 letter regarding changes to the drawings are applicable to the copies enclosed with this letter.

We apologise for any confusion this may have caused. Should you have any questions regarding this submission or require any additional information, please contact me at (781) 272-2000, extension 241.

Sincerely,

Lori Podolak, CHP
Product Licensing Specialist
Regulatory/Health Physics Department
