NMSS/RGN MATERIALS-002

ITEM 2

The current chief administrator for the facility is now:

Ms. Ann Marie Shears, VP Patient Care Services

Replacing Mr. Jeffrey Moll.

ITEM 3

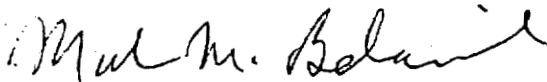

I wish to notify your office that it is likely that this institution will be sold to St. Mary's Hospital on 3-1-2007.

I have advised "St. Mary's" that this will require that the current St. Mary's NRC license will have to incorporate all of the materials and controls currently covered under the PBI Regional Medical Center license and that this license will need to be terminated.

I have indicated that I am willing to help with the transition and possibly work as their RSO if so desired.

Please contact Mark M. Belanich with any questions or comments at (845) 729-0075.

Prepared by:

**Mark M. Belanich, M.S., D.A.B.R.
Radiation Safety Officer
PBI Regional Medical Center**
