The Honorable Dale E. Klein, Ph. D.
Chairman
United States Nuclear Regulatory Commission
Washington, DC 20555

Dear Dr. Klein,

The purpose of this letter is to communicate a change in South Carolina's Nuclear Regulatory Commission (NRC) State Liaison Officer and the Governor's Designee for Notifications of Nuclear Waste Shipments.

Henry Porter, who has served in these two positions for the past several years, has moved to another position within South Carolina Department of Health and Environmental Control (DHEC). Michael Moore will be replacing Henry effective immediately. Feel free to contact Michael at work (803-896-4181 and moorems@dhec.sc.gov), by pager (803-654-3107) or at home (803-337-2736).

We appreciate your continued efforts to promote federal and state cooperation regarding nuclear regulatory, security, radiological public health and environmental issues. Take care.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Sanford".

Mark Sanford
