SUBJECT: DEPARTMENT OF THE ARMY, ACCEPTANCE OF NOTIFICATION OF NEW
PORTABLE GAUGE, CONTROL NO. 139974

Dear Ms. Wilkinson:

This is in reference to your letter dated January 17, 2007 notifying the NRC that you have returned a Troxler Model 3411B portable gauge and acquired a Troxler Model 3450 portable gauge. The sealed source model numbers listed in Items 7.D and 7.E. of License No. 37-28775-01 are also used in the Troxler Model 3450 and therefore you do not need to amend your license at this time. Please retain the documents related to the transfer and acquisition of the gauges. They may be reviewed at your next routine safety inspection. No further correspondence on this matter is required.

Your cooperation is appreciated.

Sincerely,

Original signed by Kathy Dolce Modes
