To: ORISE/ESSAP: Scott Kirck	License Number: SUC-1275	TAC No.:	
Facility Name and Location: Seneca Army Depot 5786 State Rte 96 Romulus, NY 14541-5001	Type of License: <input checked="" type="checkbox"/> Fee Recoverable <input type="checkbox"/> Non-Fee Recoverable		
Description of Work to be Performed and Schedule:  1. ORISE will review Seneca's Final Status Survey dated November 2005. ORISE will prepare and submit a plan to conduct a biased confirmatory survey of selected areas of the site based on the elevated measurements noted in the licensee's Final Status Survey Reports. One trip to the site is planned. The expected time to conduct the survey is 3 days.  2. Develop a cost estimate to conduct the above. The estimate will include resources to perform all of the above, including travel expenses, shipping costs; submittal of draft and final reports listing issues and recommendations identified by ORISE; survey analytical costs; and technical support to NRC staff questions by telephone and e-mails. ORISE will submit a cost estimate and schedule within three weeks of receipt of this RFTA.  3. In terms of scheduling, ORISE will support the staff as needed during the remainder of the calendar year. Should unforeseen delays occur, ORISE will immediately contact the NRC (Mr. Bruce Watson and Mr. David Everhart) and provide an alternate schedule.
