Fred:

Your letter looks good, but I would specifically mention the lack of information on streams and wetlands on the site. It is kind of covered on your second to last bullet but I would prefer greater specificity. Other than that, the ER looks acceptable.

Hi Halil and Kirk,

Attached is a draft of the ER acceptance review results that I am going to send Alicia, either at the end of today or tomorrow morning. I thought I'd run it by you before sending it.
