Alicia, thanks so much for all of the information, and the links to get more. We have some homework ahead of us, but I think you have laid out everything we will need.

On the ride back to Harrisburg, we all agreed that the meeting was very beneficial from our perspective. We appreciate that you could accommodate our request to meet with you and that so many of your team could take time from their schedules to attend the meeting. Please extend our thanks to everyone who participated.

Now that we are on the mailing lists to receive notice of future meetings and the Draft EIS, I'm sure our paths will cross again soon. Please feel free to contact me if you have additional questions about our process.

Thank you again,
Paula Ballaron
