| <p>Summary:</p> <p style="margin-left: 40px;">We discussed the renovations to McNulty Hall and where the Hall would be destroyed. Not all of McNulty Hall would be renovated and there is a possibility that they may reuse the renovated area for radionuclide usage in the future. The shell of the building would remain and is not being demolished. Based on docket file review, there appears that there were other rooms, besides the rooms submitted, where licensed material has been used.</p> <p style="margin-left: 40px;">I discussed that a licensee may release areas and then maintain records for eventual decommissioning. The building will be retained as part of Seton Hall University.</p> <p style="margin-left: 40px;">Since the rooms may be used sometime in the future and that McNulty Hall would remain, Mr. Edwards agreed to void this action.</p> | | |
