Re: Renewal of Radioactive Material License No. 12-26735-01

Dear Ms. Hersey:

We would like to renew our Radioactive License by providing you with all the required details and documents for renewal. However, at the present time our Radiation Safety Officer Mr. Sanjeev Bandi, Ph.D., P.E. is out of the country and will return in the last week of February 2007. We would like to request an extension of sixty (60) days at the present time and your cooperation in this matter is appreciated.

If you have any questions or comments regarding this matter, please feel free to contact me at 630-321-0944.

Sincerely,
Great Lakes Soil & Environmental Consultants, Inc.
