OFFICE OF SECRETARY  
RULEMAKINGS AND  
ADJUDICATIONS STAFF

Docket No. 52-008-ESP

I am writing to express my opposition to any new nuclear facilities at Lake Anna in Virginia. There are too many problems with nuclear technology to call it safe, green, or clean. Please do not issue an "Early Site Permit" to Dominion.

Additionally, I urge you to discount comments which come from employees of the company which are in any way involved with building, maintaining, or promoting this unsustainable technology.

Thank you for your attention to this matter.

Sincerely,

James P. Bennett
