Subject: Re: NRC Groundwater Contamination Inspection Plan

Dear Tim,

No, it is still in concurrence. I will forward your request. We should get at least a final draft copy.

Regards,

Jim

Jim,

Do you have a copy of the long-term monitoring plan that will be reviewed on the 15th @ 10:30 we could get a copy of?

Thanks,

Tim

Dear Don Croulet,

We have drafted an inspection itinerary for next week's NRC inspection which is attached. Please coordinate these meetings with locations and staff presenters. Please let me know of any schedule conflicts and confirm the agenda. Thanks.

Regards,

Jim
