Subject: Re: Opportunity for Split Sampling MW-30, MW-31 & MW-32

Dear Pat,

Please include NRC and DEC in next week's sampling of MW-30, 31 and 32. Thanks.

Regards,

Jim

Tim and Jim,

We (IPEC) plan on having GZA sample the following wells next week:

01/16/07 MW-30 (sampling five elevations)

01/17/07 MW-32 (sampling five elevations)

01/18/07 MW-31 (sampling three elevations)

All three wells were previously split, MW-30 twice, and 31 and 32 once.

However MW-32 now has a waterloo unit installed.

Please let me know if you wish to split any of these samples with us.

Thanks,

Patrick Donahue
