Timothy R. Whiteman, M.D.  
Radiation Safety Officer  
Gibson General Hospital  
1808 Sherman Drive  
Princeton, IN 47670

Dear Dr. Whiteman:

This refers to the telephone conversation between your consultant, Tom Schlarman, and me on February 1, 2007, concerning your amendment request dated October 18, 2006. The deficiencies identified in the October 18, 2006, letter were conveyed to Mr. Schlarman in a conversation record facsimile on January 18, 2007.

As of February 1, 2007, we have not received a written response. I tried to reach you, Dr. Mathis and Karen Woolsey on February 1, 2007, but was unsuccessful. So I contacted Mr. Schlarman again and was informed that you were remaining as the Radiation Safety Officer until we can approve Dr. Mathis as the new Radiation Safety Officer. If our understanding in this matter is incorrect, please contact me immediately at either (630) 829-9841 or (800) 522-3025, ext. 9841.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Sincerely,

A handwritten signature in cursive script that reads "Colleen Carol Casey".
