To Whom It May Concern:

This is a follow-up to our letter of September 8, 2006, where Lucent Technologies informed you of its impending merger with Alcatel. Although the merger has proceeded as scheduled, our legal counsel has informed us that there will be no change in our company name. Lucent Technologies will continue as a legal entity.

If you have questions regarding this request, please contact me at (908) 582-5907.

Sincerely,

Richard Quick,
Senior Manager – Radiation Safety Officer
