**Discussion:**

Discussion:

The Palisades site announced that Chris Schwarz will be taking over the position of Site Vice-President once the sale of the plant to Entergy is complete. Chris is currently a Vice-President in Entergy's Fleet Operations. Paul Harden, the current Palisades Site Vice-President, will transition to an Entergy fleet position and report to John Herron, Senior Vice-President of Operations and Chief Operating Officer of Entergy Nuclear. There is no official date for completion of the sale at this time.
