Dear Sirs,

I am opposing the building of the nuclear irradiation plant at Honolulu, Hawaii.

I am born and raised here on the island of Oahu and have raised my family here.

I am opposing the irradiation plant on basis of my health concerns.

Especially, since

I was forced to stop working due to advanced stage cancer.

I believe there is enough evidence presented for me to stop eating irradiated food, and endangering our environment.

Please do not allow the irradiation plant to be built here in Hawaii.

Thank you for receiving my testimony,

Karen Arincorayan
