SUBJECT: MEETING OF JANUARY 31, 1996, AT ST. ROSE, VINELAND, NEW JERSEY

Dear Ms. Buttil:

I am responding to your letter dated February 27, 1996, which requests a copy of the transcript for the meeting listed above. The purpose of the meeting was to update the Newfield Residents Environmental Group and interested members of the public about licensing actions at Shieldalloy Metallurgical Corporation currently under review by the U.S. Nuclear Regulatory Commission.

No transcript was made of the meeting; however, I have enclosed a copy of my trip report dated March 1, 1996. The trip report includes a copy of the handouts.

I trust this reply responds to your request.

Sincerely,
