Karen,

This is in regard to Mallinckrodt's outstanding response to NRC's 6 Oct 04 requesting Mallinckrodt for additional information or clarification in order for staff to approve Phase I D&D-FSS reports.

Please advise when NRC should anticipate receiving a Mallinckrodt retraction letter relating (along with a schedule for supplying responses to RAIs) to that portion of your 12/14/06 letter requesting "...that NRC completes its review and approval of these FSS reports as soon as possible." Let me know. Thank you.

Karen,

Last night faxed you 2 documents. I am unsure if our fax machine operated properly. I have asked that it be checked out. Let me know if you did receive them. One was the 6 Oct 04 letter you requested a copy of, the second one was the NRC's 29 Jan 07 response to Mallinckrodt's 21 Dec 06 approval request to install a new MCC south of Building 250.

vr,
 Amir
