Subject: NRC Visit to Brattleboro

Dear Mr. Emch,

I learned today that the NRC will be holding a hearing to discuss the draft supplemental environmental impact statement for license renewal for Vermont Yankee on January 31st.

As Chairman of the Natural Resources and Energy Committee I would very much welcome similar testimony presented to our committee. Would it be possible to schedule something on the 31st or the day after in Montpelier?

Thank you for your consideration.

Sincerely,

Rep. Robert Dostis
