Project Director, Entergy Vermont Yankee License Renewal

Dear Mr. Emch:

Vermont legislators will be in session in Montpelier on 1-23-07, when you'll be holding hearings in Brattleboro-

I ask if you could come to Montpelier the day before or day after the hearing in Brattleboro so that legislators have the opportunity to ask questions and discuss NRC's findings on the impacts of continued operation of the Vermont Yankee Nuclear Reactor on the ecology of the Connecticut River Valley, and potential impacts on the state as a whole.

Thank you for your consideration,

Mike Mrowicki
Vermont State Representative-Windham 5
