Rich,

As requested, attached is a copy of the South Carolina Radioactive Waste Transport Permit 0002-44-04-X and

Tennessee Radioactive Waste-License-for-Delivery T-VT001-L06 that were just recently renewed.

Based on input from the site, the Virginia Application for Registration to Transport Hazardous Radioactive Materials

VY-S-073104 is no longer needed and therefore was not renewed.

If you have any questions, please let me know.

Thanks,
