TELEPHONE NO.

Walt Elwell, Council Pres. Borough of Newfield

SUBJECT

Concerns about safety at Shield alloy site

SUMMARY

I explained that Th was regulated as source material and not particularly for radioactive hazard. Explained that radiation levels were quite low + not a hazard.

I stated that licensing would require program for waste removal as condition for renewal and explained new rule re: financial responsibility for decoum.

I suggested that the borough consider hiring its own radiation safety consultant.

I left open possibility of meeting if Elwell still wanted one. He seemed satisfied.
