Summary:	<p>In a letter dated 1/4/07, the licensee requested that Stephen McManus, M.D. (A currently authorized physician for 35.100 and 35.200) be authorized for the use of I-131 for whole body imaging. Dr. McManus was added to the license in 2001 prior to the regulation change. At that time I-131 use for whole body scanning was authorized under 35.200. If Dr. McManus's preceptor can document that Dr. McManus has been performing whole body scans prior to 10/24/02, we can write his authorization as follows, "Oral administration of sodium iodide iodine-131 for diagnostic studies." If Dr. McManus was not performing WB scans prior to 10/24/02, he will need to be authorized under 35.392.</p> <p>J. Law will speak to the preceptor and Dr. McManus to determine what Dr. McManus has been doing and document accordingly.</p>
